Re: *Metzgar v. City of Port Jervis, et al.*  
Docket No. 23-cv-05198 (KMK) (JCM)  
File No. 230240

Your Honor:

We represent the Defendants. We write jointly with Plaintiff to respectfully ask that the Court stay discovery, set to end on July 25, 2024, for 90 days to give the parties time to continue to mediate this matter with the Southern District's Mediation Program. Mediation is progressing—the Parties have held two sessions and are scheduling another for early July. A stay will give the Parties time to exchange information and continue to allocate resources toward a potential resolution, rather than litigation. In the alternative, the Parties ask that the Court extend to October 25, 2024 the deadline for fact discovery. This would be the first extension of the deadline.

Thank you for your consideration.

Granted, but please do not assume more  
such extensions will be granted.

So Ordered.  
  
6/25/24

Respectfully submitted,

SOKOLOFF STERN LLP
